

# Bring the Power of Test Automation to Your UKG Customers

## INTRODUCING THE TESTASSURE CERTIFIED PARTNER PROGRAM

UKG Dimensions enables your customers to manage a complex global workforce and move at the speed of change. But with change also comes challenges. Your customers need to:

- Go live quickly and confidently
- Implement regulatory changes rapidly while staying in compliance
- Deliver ongoing value by adopting new features
- Implement new modules
- Test updates before deploying to production

All the while, they must ensure that they continue to pay their employees correctly.

As a TestAssure Certified Partner, you can now leverage TestAssure's proven automated testing platform to help your customers overcome these challenges.

## WHY JOIN THE TESTASSURE CERTIFIED PARTNER PROGRAM?

TestAssure's automated testing platform is proven to accelerate go-lives, test faster, and drive deeper customer relationships post go-live.

As a TestAssure Certified Partner, you can white-label and sell our platform to your customers as a key differentiator and way to drive meaningful conversations i.e.:

- Accelerate go-lives, test faster, and build long-term customer relationships
- Grow additive QA services implementation revenue
- Generate ongoing recurring revenue through subscriptions
- Stay engaged with customers by providing monthly reporting
- Better understand customer needs to identify new sales opportunities

## WHAT DO YOU GET AS A TESTASSURE CERTIFIED PARTNER?

By becoming a TestAssure Certified Partner, you'll receive exclusive access to:

- Official partner certification with comprehensive sales & delivery training
- Official partner page on TestAssure.com & official partner certification logo
- Access to use TestAssure's automated test case library built for UKG
- Ability to create your own custom automated test case library
- 1 TestAssure sandbox tenant
- 1 customer license

*"TestAssure accelerated my clients' go-live date and alleviated the headaches of doing manual testing. I make sure to bring up TestAssure to every customer."*
