Test Employee Email	<input type="text"/>

- When changing the Host (URL) value, the Username and Password fields will automatically be cleared.
- This will force the user to re-enter the credentials and confirm that they have the correct login when changing the host.

New User Onboarding Process

Hi Adam test,

You have a new account on TestAssure for the qa tenant.

Username: adam.mcdonald@ukg.com

To activate your account please create a password using the link below.

[Click here to activate your TestAssure account.](#)

If clicking the above link does not work, copy and paste the following into your browser address bar:

<https://protect-us.mimecast.com/s/5DYdC2koRKcK5wEDwf14Udj?domain=qa.testassure.com>

- Users previously got a welcome email that contained their system generated password.
- Now, users will have to activate their account and setup their own password by clicking on the link provided.

Updating Review Status in Bulk

Test Case Assignments

Test Case Assignments for Review

Update 32 Selected Tests to Status ▾ Assign 32 Selected Tests to User ▾

Folder Name	Test Case Name	Status	Assignee
<input type="text" value="Filter Folder Name"/>	<input type="text" value="Filter Test Case Name"/>	<input type="text" value="Review Status"/>	<input type="text" value="Filter Assignee"/>
> <input checked="" type="checkbox"/> Automation Testing		Statures ▾	Adam McDonald ▾
> <input checked="" type="checkbox"/> Automation Testing (Copy)		▾	Unassigned ▾
> <input type="checkbox"/> DO NOT DELETE		Multiple Statures ▾	Unassigned ▾

A pink arrow points to the 'Update 32 Selected Tests to Status' button. A dropdown menu is open below it, showing the following options: Draft, Ready for Review, Approved, Rejected, Blocked, Reopened.

- In the Test Assignments page, users now have the ability to change the Review Status of selected test cases.
- This can be done at the folder level as well as individual test cases

Additional Test Case Filters

The screenshot shows the 'Test Case Library' interface with an 'Advanced Filters' dialog box open. The dialog box has four columns of filters: 'By Review Status', 'By Test Builder Status', 'By Test Execution Status', and 'By Assignee'. The 'By Test Builder Status' and 'By Test Execution Status' columns are highlighted with a pink oval. The 'By Review Status' column includes options: Draft, Ready for Review, Approved, Rejected, Blocked, and Reopened. The 'By Test Builder Status' column includes: Successful and Unsuccessful. The 'By Test Execution Status' column includes: Passed, Failed, and Unable to Execute. The 'By Assignee' column has a dropdown menu showing 'None selected'.

- Users can now filter by Test Builder Status and Test Execution Status.
- Test Builder Status is based on whether the generation failed or was successful.
- Test Execution Status is based on the latest execution status via the Test Plan screen.
- These filters can be used individually or together.
