Test faster. Go live sooner. Make changes with confidence.

PLAN | WRITE | AUTOMATE | TEST

WFM Certified Testing Technology

TEST THOROUGHLY AND QUICKLY TO HIT PROJECT TIMELINES

You've decided to move to a new WFM solution. Now what?

You want to realize its benefits as soon as possible. But if you don't test extensively, you risk having unhappy employees, receiving negative social media impact, and facing potential lawsuits.

That means you need to complete your testing quickly so you can go live as soon as possible, and test thoroughly to be confident you're still paying your people correctly.

USE AUTOMATED TESTING TO GET MORE TESTING DONE IN LESS TIME

TestAssure is a modern cloud-based automated testing platform that helps you:

✓ **Reduce your testing timelines**

✓ **Write tests in minutes**

✓ **Achieve wider test coverage**

✓ **Pay your people correctly**

TestAssure is an automated testing platform that's helped 250+ customers go-live sooner with confidence

TestAssure®

WHAT TESTASSURE CAN DO FOR YOUR GO-LIVE

Get started quickly
Leverage a library of thousands of ready-made WFM test cases to start testing on day one.

Spend less time testing
Reduce manual testing and use our ready-made test automations to get your testing done faster.

Get everyone on the same page
Get clear company-wide alignment with easy-to-understand tests written in plain English.

Make every change with confidence
Use test automation to run your full suite of tests quickly and easily with every change.

HOW TESTASSURE ENABLES TEST AUTOMATION

Test case library
Get a library of thousands of test case templates proven over dozens of WFM go-lives.

Pre-built automations
Use pre-built automations to run thousands of tests in minutes with the click of a button.

Clear testing results
Get pass or fail results with easy to understand reports, error logging and timely alerts.

"TestAssure accelerated my clients' go-live date and alleviated the headaches of doing manual testing. I make sure to bring up TestAssure to every customer."
– Kim Laverde, Account Executive
